Good Luck Mr. Buhler

!!!

The 1984 edition of the Anthonian is dedicated to Mr. Steve Buhler. In his 8 years of teaching at St. Anthony he has been an involved teacher and a good friend. He has spent many unrecognized hours putting yearbooks, reach-out re-treats and seniors activities together each year. He himself has been instrumental in building a "beautiful city" at S.A. He is a credit to his profession and clearly defines the word teacher.

THANKS MR. BUHLER!!
We'll miss you

Love,
The students of S.A.

From Yearbook Class Of 1983-1984

Style Booster

Thank you for your article on Style(6/6). I have been a fan for a long time and it was nice to see an article that didn't make them out to be some strange characters from another planet!

Momma Style

Photo Protest!

How come every year you see ten million jillion pictures of the same three or four people in the yearbook? I'm really getting sick of it. Why don't you have ten million jillion pictures of me, instead? Here's a warning, Mr. "Ed"-if it happens again in '84, I'm gonna kill myself and never buy another yearbook.

(The late) Sue Aside

Protest Protest

How come every issue you guys publish letters complaining about what got published in the last issue? I'd like to complain about all the complaints I have to read. In fact, I just like complaining!

R.E. Dundant

True Confessions

Thanks for your article in Tops'n-'Flops on the Superbodies(6/6). I think it's very important that the public know about the use of steroids and hormones by our athletes. I just wish more of our athletes did.

Special Report

Juniors have their own touch of class

by Christyn Pope & Julie Ciavarella

We are Family . . .

Name any fashion craze you'll find representative styles through the amazing Class of 85. From clothes, to sounds to the way they walk, to the way they talk, this years Juniors were nothing if not Fashionable! From the new-wave ravers, to the heavy metalloids, to the GQ-impeccable funked-out soul mates to the kinetically Ka-sual Krowd, each group and every individual makes a special contribution to this spirited and colorful class.

Just how spirited became clear at the amazing show of unity and creative rowdiness displayed at the Homecoming Assembly.

Following the inspiring lead of class prez Darrell Walker the Juniors showed here and elsewhere they have, and how ready they will be to take charge next year as the Seniors Class of 85.

Who the heck do they think they are?!!

The latest fashion in cheer competition.

SCANDALS

What's scandalous with '86?

Did you hear the Sophomores beat the whole student body for Homecoming collections? Not only that but they also tied the Senior class for the Spirit trophy. As we can all see the Class of 86 has established a real sense of unity! Led by their President Mario Talavera, the Sophomores also won the Spirit Stick at the first assembly. Being the biggest class, the Class of 86 hold the most positions for C.S.F. membership. Getting over Freshmanitis, they've won their rights to dignity. With the Sophomore year also comes many more responsibilities: Jobs, finding careers and most importantly keeping up those grades! Because of the special people of the Sophomore class it has been one of the most respected in a while. Taking a step up, of course, the classes get harder but it also makes it a step closer to 1986.

Faces And More Freshmen Faces

If you want to see some interesting faces, you're on the right track. We've got happy, disappointing, clumsy, on the move, old, new faces. Don't you recognize the famous Pepek, McBride, Walsh, etc. etc . . . faces?

Imagine how much freshmen decreased this year. Well, that didn't stop the class of '87 from having a jamming time at their Frosh and Senior picnic. Why the tug-o-war victory against the overpowering seniors was just an example of their new spirit for St. Anthony. You never know what power a freshmen might be keeping. So we advise you not to under estimate the power of the class of '87!

"Freshmen that's Us!!!!

that's the way it is"

School's No Picnic!?

Seniors help break in new Saints

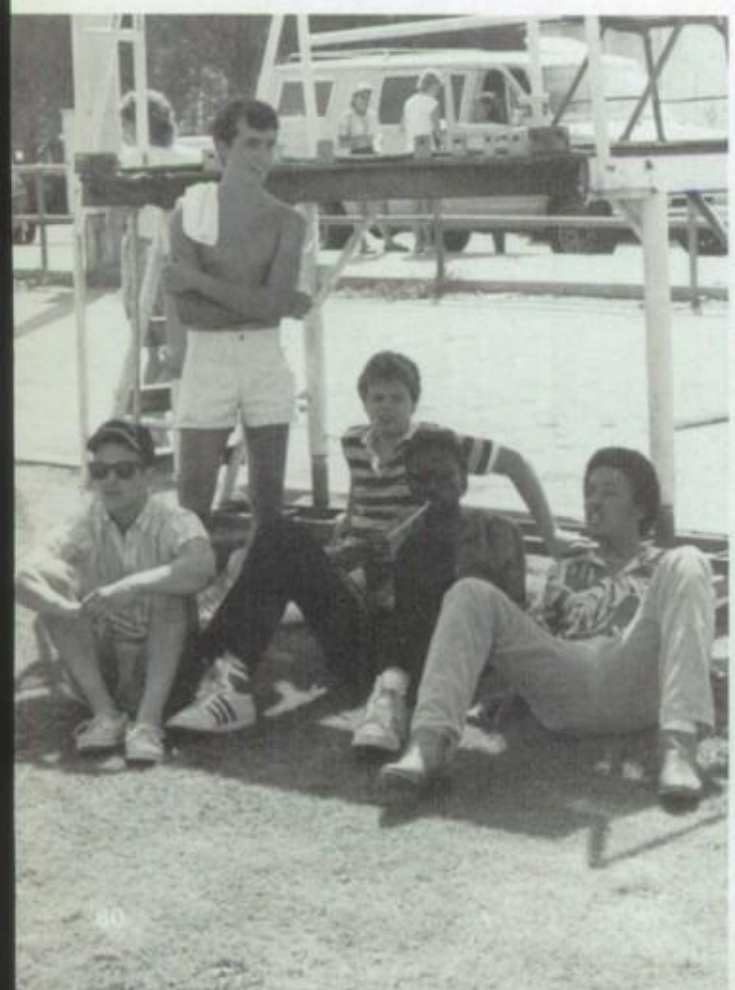
by Patti Jones and Mia Blanco

Welcome to S.A. Freshman and welcome back class of '84. An estimated crowd of 400 Saints gathered at Clark Field for the annual Senior/Frosh Picnic on September 7, 1983.

Seniors treated their Frosh brother or sister to food, fun, music and dance. There were plenty of festivities including the sack race and the lap sit, as well as the two perennial favorites: The Human Pyramid and the Tug of War.

As far as the food went there was chicken, cokes, hamburgers, pizza, pizza, pizza and more pizza.

The picnic served as a great way to get everyone acquainted. It was also a great way to start the school year!!



"Who's Too-Tall?"

Business As Usual: Studies Continue

The main work of St. Anthony High School is, of course, daily education. Our faculty comes from a variety of academic backgrounds and use a wide variety of teaching techniques in order to prepare students as fully as possible for college and career futures. And students respond! Despite the normal grumblings and excuses while they're still in high school, our graduates discover that the challenges, discipline and learning experiences they received at S.A. are vital tools for achieving success. Who knows what this years grads will accomplish? We only know that they are capable of great things.

(above) Mr. Seamore gives a solid introduction to understanding our Christ. (at right) Mr. Marques & Sr. Colette confer on Social Studies teaching, while Sr. Aquinas, below, reviews textbook materials.

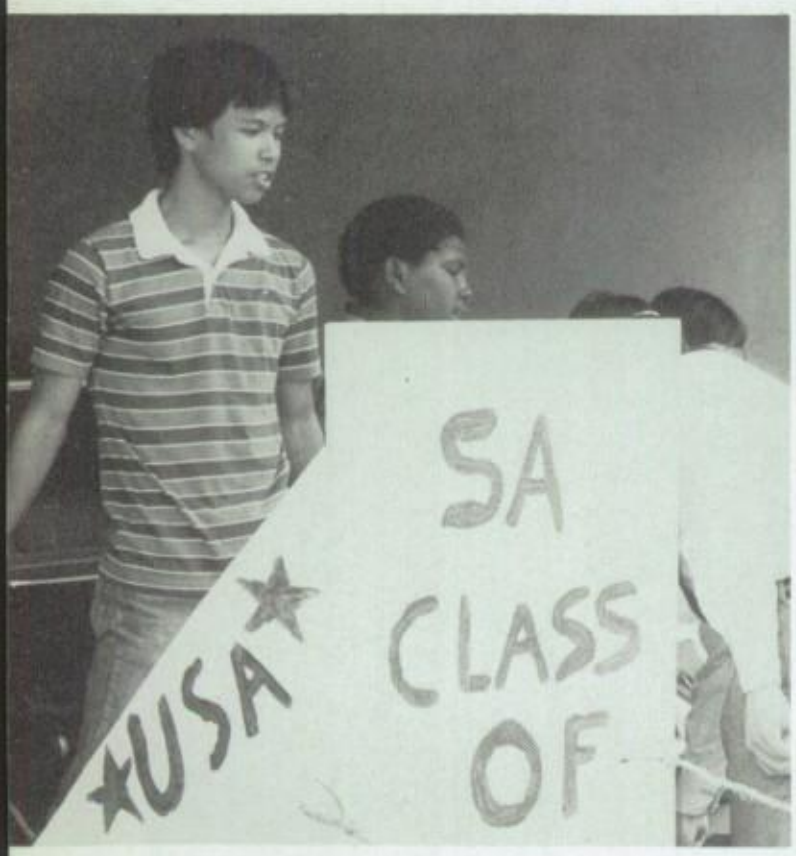
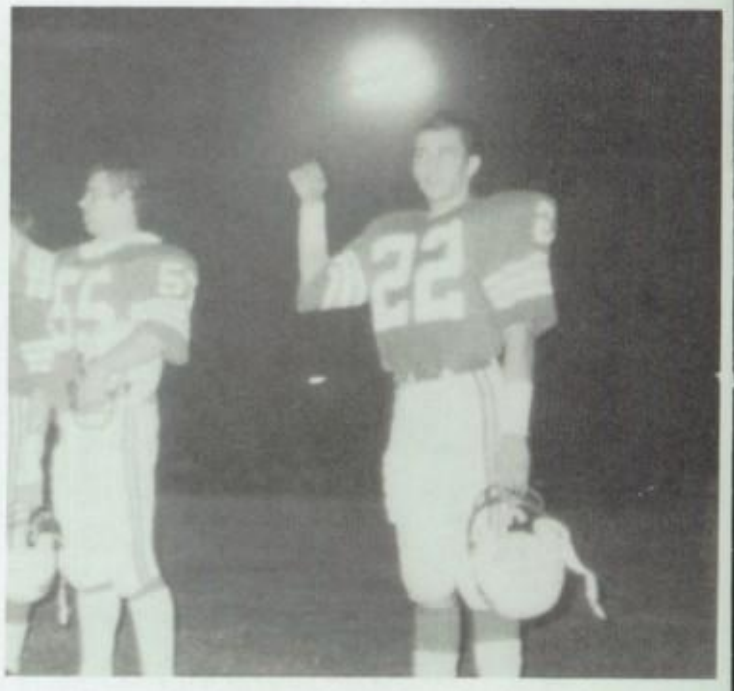
Special Report: Saints In The Olympic Spirit

This years Homecoming was filled with excitement for everyone. The Sophomores pulled ahead in the fight for the Spirit trophy, but the Seniors held on tight. In the end, they shared the trophy. Even though the Juniors and Freshman acknowledged they showed awesome spirit. Friday ended this memorable week, and what a day it was with the Seniors leading the costume parade clad in togas. All in all it was a week full of Fun!



Getting Ready For The Big Game

Fans, Fireworks, Fun Homecoming '83 . . .



by Mia Blanco

The Homecoming game capped a week's activities. Students brought their purple and white pride from the gym to Clark Field joining others to cheer on the team.

Halftime activities included a rousing band performance and a brilliant fireworks display. But the moment we were all waiting for was the coronation of our Homecoming Queen, Teresa Wells. The team fought hard on defense as well as on offense, scoring a touchdown in the fourth quarter of play. S.A. may have lost on the scoreboard, but we never lost our spirit. A tip of the hat goes to those who helped coordinate the activities that made this Homecoming one of fans, fireworks, and fun.

Homecoming Dance And Saintly Reunion

by William Rockwood and Katherine Pineda

For the first time in school history, the Homecoming Dance was held in the armory. The dance itself was very successful with a very high number of students attending. The highlight of the evening was the court: Queen Teresa Wells, princesses Maria Cantu, Jackie Brooks, Patrice Harenski, and Christina Menes.

Also, the winner of the Spirit trophy was announced with the Seniors and Sophomores tying for First Place.

The first annual Alumni Picnic took place by Clark Field. There were many activities, good entertainment, and great food, for our alumni Saints.

Choir And Spanish Club Go To Spain

On August 2nd, 1983 the members of the Singing Halos and Spanish Club under the direction of Mr. Arthur Solorzano, left LAX for Madrid. The flight was a long but exciting one. When we touched down in Madrid the fun began right away. After checking in our hotel we went to the bank to change our dollars to Pasetes and then shopped, visited the Gran Villa, and saw the sights. We saw our first bullfight, visited the Prado Museum, The Escorial, the Alhambra, Sevilla, Granada, the Valley of the Fallen, and a flamenco show. In Costa del Sol we stayed right off the Mediterranean Sea (great for swimming), and visited Torremolinos, where we hit all the midnight discos. The trip was only nine days, but the memories will last forever, and so will the feeling: **Me Gusta Espana.**

From Mafia To Jesus . . .

by Bill Rockwood

The Saints had the priviledge of being audience to Sonny Gibson. Sonny spoke to the entire student body about his life. He spoke of his days in the mafia, his life in prison, his finding Jesus and his spreading Jesus' news to the students.

A different kind of conversion was experienced by Senior volleyballers as they were defeated by an aging but spirited faculty squad.

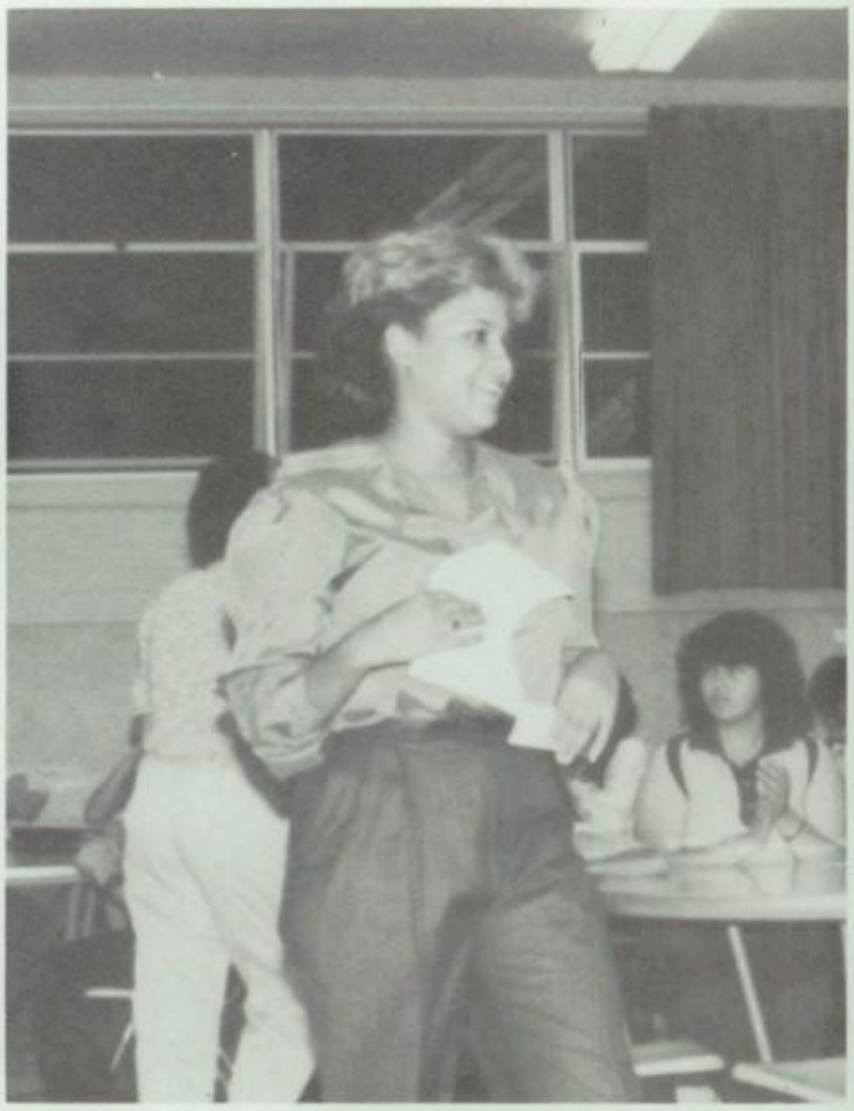
Academic Achievers

Administrators show their pride.



Shawn Howard is singled out for special merit.

On Thursday night, October 20th, the year's first Academic Award Convocation was held in the Cafeteria. A new procedure of having each class' award winners remain on stage, dramatically demonstrated the extent of St. Anthony's achievement. Event organizers Ms. Smith and Mr. Solorzano enabled all to run smoothly, with the help of officers Steven Koppenheffer and Iris Natividad, among others. Students named to the Principal's Honor Roll, and elected for the National Honor Society and the California Scholarship Federation were introduced during the well attended event.

Steve Koppenheffer's been through this all before.

Ms. Melanie Smith and Mr. Arthur Solorzano serve as event coordinators.

Mr. Logan can't tell the Lovett's apart either.

Sister Colette serves as traffic director on the awards stage.

Gery Baura receives congratulations from Monsignor.

The full spectrum of academic achievement, and of responses to such awards, is proudly displayed.

"Come Dancing" Try To Stop Us . . . !

In the year of nineteen eighty-three, the types of dancing have gone from punk to funk, to new wave, to modern music. We've gone from David Bowie to the Police, to the Blasters, and all to a different type of dance. There's Slamming for the more rowdy type, rolling on heads for the people who like a beat, and then there's new wave, to which people can do just about anything, . . .

Down and Dirty!!

Adapting to the music.

New Wave all the way . . .

'83-'84 Drama Club

This year the St. Anthony Arts Department has been proud to have a successful Speech and Drama program. During the year the speech team has gone to many tournaments at nearby Occidental College and as far away as Cal Lutheran College in Thousand Oaks. Single members of the speech team have entered contests close by. Jane Potter won the State championship of the "Native Sons of the Golden West" last year and Eric Hindley went to the second elimination rounds of the Lions Club Student Speak Off. Overall, the members of our speech department have won numerous awards and trophies.

Our Drama department has also had great success with the plays they have put on this year. The Productions of this year have varied from "God's Favorite" to "The Steadfast Tin Soldier". Thanks to Gail Brower for the work she has put in to creating such excellent departments.

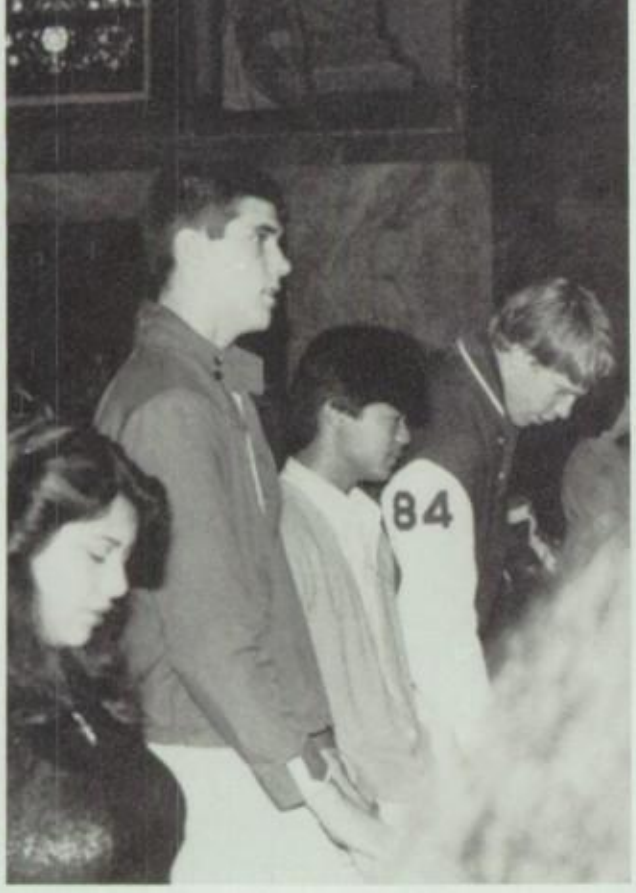
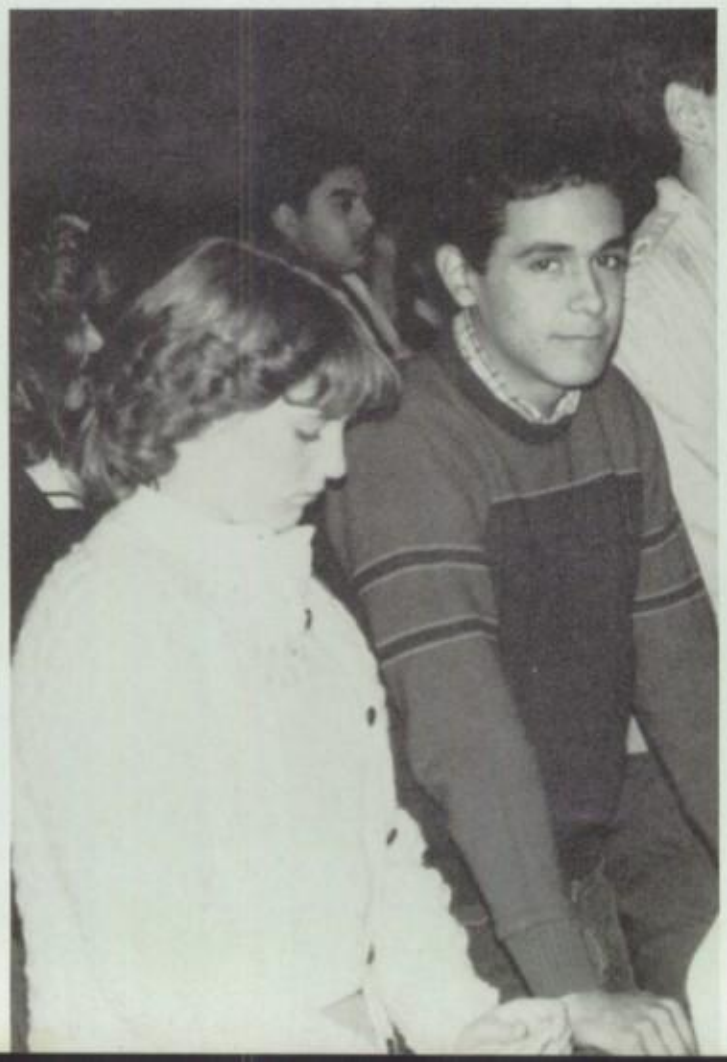
Thanksgiving Mass



The Thanksgiving Mass, which was hosted by the senior class, was well presented and successful. Monsignor Gualderon was the main celebrant and shared a very touching and beautiful homily.

A special thanks to Monsignor, Tammy Trotter and Iris Natividad and all those who helped in creating the success of this mass.



We are loved.

Saintly Names In Lights

by
Eric Hindley

On the evenings of Dec. 1, 2, and 3 the lights of showbiz lit up the stage of the Saints cafeteria for the opening of a show never done at S.A. before. The play, "God's Favorite" by Neil Simon, a comedy based other wise on the Book of Job, is a show about a man who is tested on his love for God. This off, off, off, Broadway show was a very funny and entertaining production that the crew and cast worked very hard on. Much preparation went into the set design and construction. Also lines had to be learned, sound recorded, lights put up, and much, much more. All this in just six short weeks. Those of you who saw the play know how good it was. Those of you who missed it. . . Your Loss.

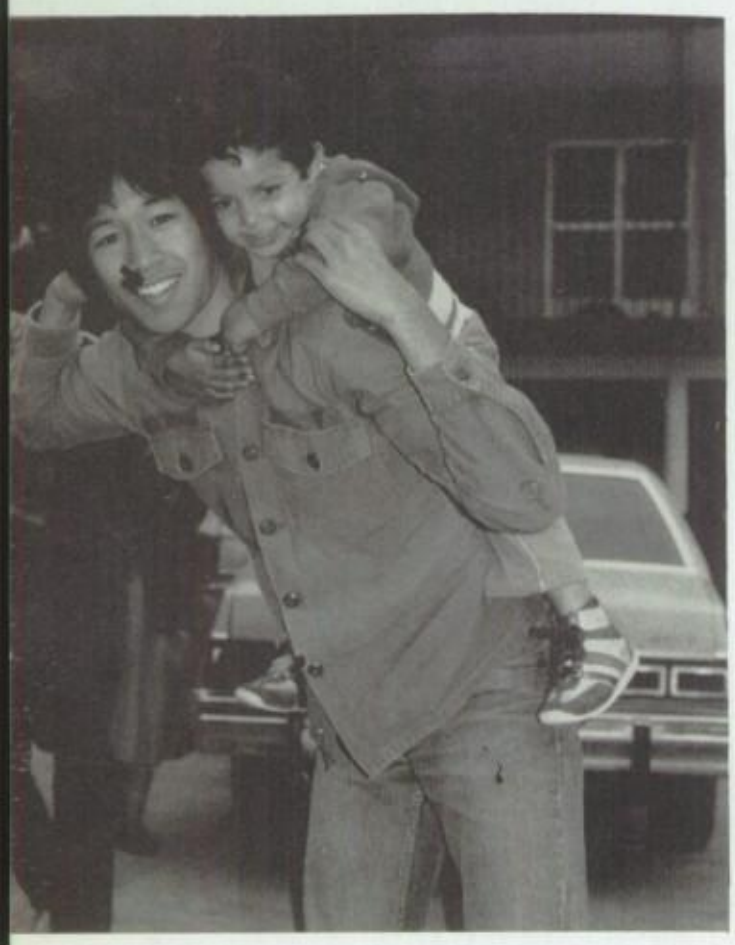
Street Players

The drama team of 1984, which consists of about 25 members, has already put on several plays and are working on another even before the semester is over. From God's Favorite to Steadfast Tin Soldier, the Drama Club has accomplished more in one semester is over. The Drama Club has accomplished more in one semester than other schools do in a year. To say the least, the instruction of Ms. Gail Brower has been excellent in the area of Drama.

Straight from the pages of G.Q.



This December, as it has been tradition here at St. Anthony's, the Spanish and Religion Departments took their annual trip to Tijuana, to La Casa de Cuna Catolica in Tijuana Baja California. The trip was very successful as we had thirty students, some parents, and twelve members of the faculty. We left Long Beach at about 8:00 a.m. for the border, and after a rest stop near Oceanside, we arrived in Tijuana at about 11:00 a.m. We then proceeded to the orphanage, and took a bit of Christmas to those less fortunate than we are. Mr. Seamore took a decorated Christmas tree and lots of toys and goodies for the children. Mr. Solorzano's Spanish classes made Christmas cards in spanish and gave them out to the children. Sister Aquinas gave Mother Guadalupe the mission money collected by the students and each of the students from S.A. made a new friend. Sister Marie Jose made cookies and Sister Ann and Sister Joseph had candy, all which went to the children. After playing and sharing with the children, Mr. Solorzano gave the group a tour of the orphanage and took them to the nursery to see the small babies. The whole group then gathered in the chapel for prayer, and afterward sat on the steps and sang Christmas carols in English and Spanish. It was a wonderful experience-giving ourselves to the needy, and when it was time to leave we all felt better knowing we brought a little happiness into the lives of these children.

O Come All Ye Faithful

By Patti Jones

On the last day before Christmas vacation, the student body gathered in the church for the annual Christmas Mass. Once again our choirs "God's Chosen Voices" and "The Singing Halos" led us in song and added to the atmosphere of the service. The Mass was successful in getting students ready for the '83 Christmas season and for celebrating the Christmas spirit.

Joyful & Triumphant

The court consisted of King Darrell Walker, Queen Tammy Buck: court Van Anderson, Gloria Dominguez; Gabe Cantu, Diane Jasso; Eddie Magpale, Kristy James; Jay Waldron, Maureen O'Brien. Survival Skills For The Decade

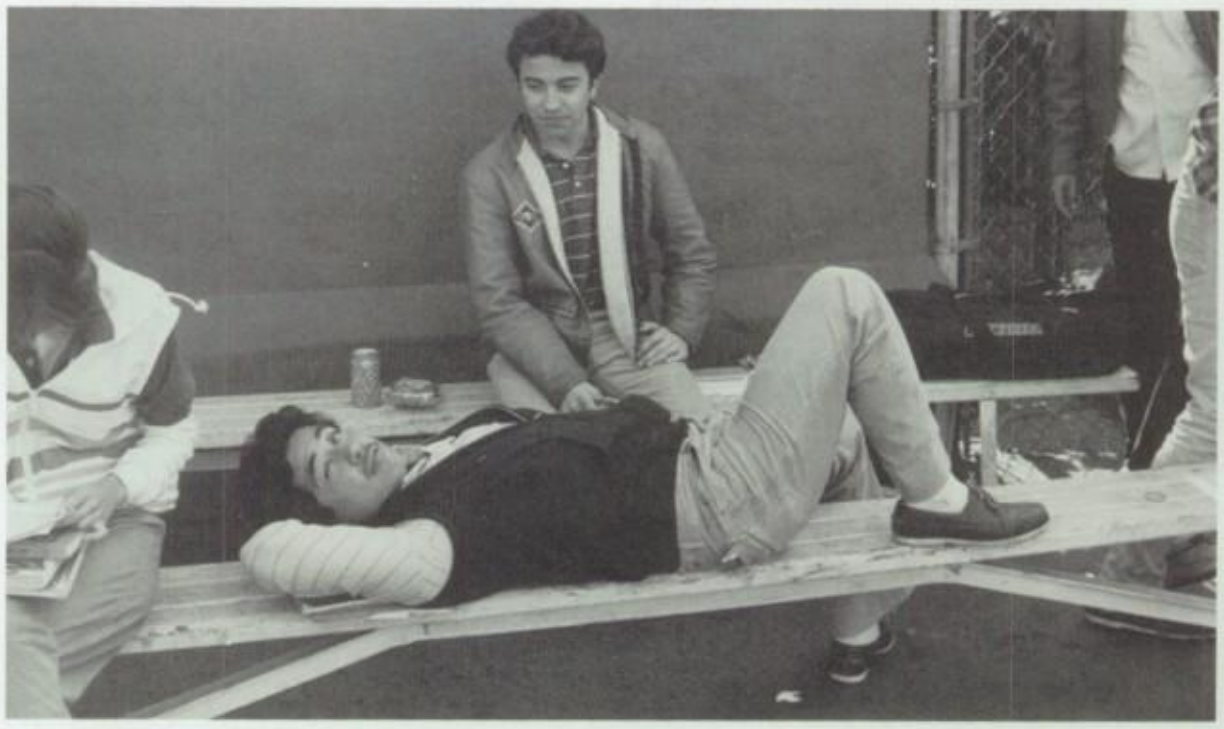
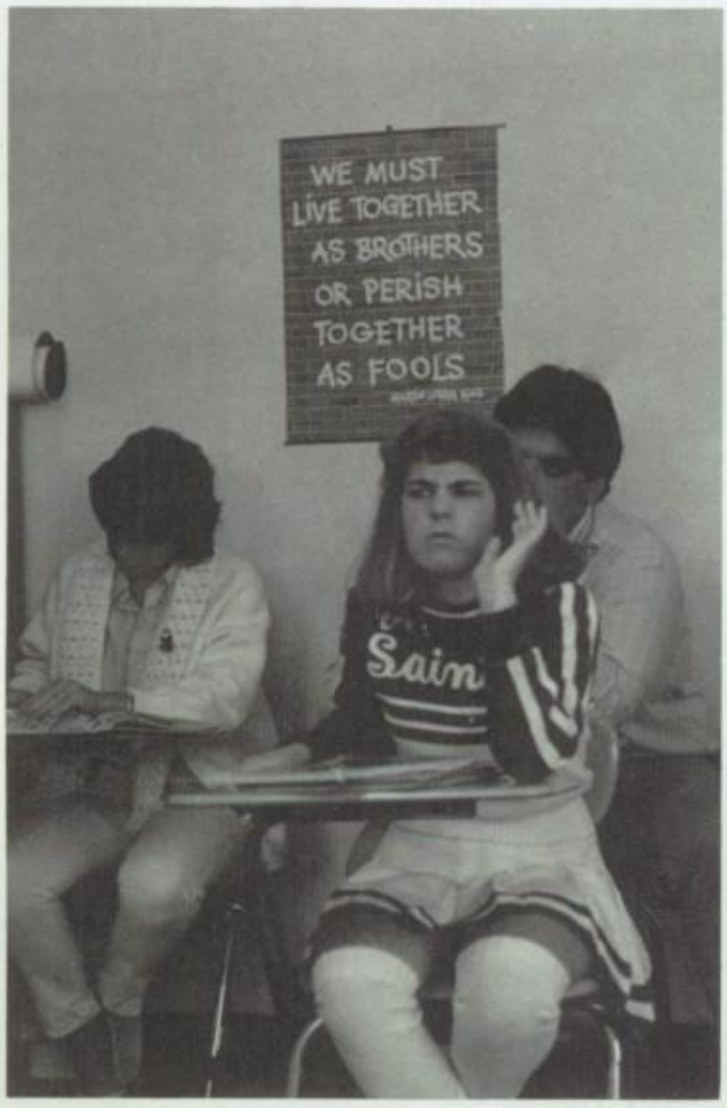
What skills are really necessary for survival in the 1980's? Lucky for us, a number of S.A. students have gallantly volunteered their time and talent in teaching us some very important survival skills. These instruction sessions take place in a variety of times and settings-with lunchtime in the yard being the most popular. Our Anthonian photographers were able to capture a few demonstrations on film.

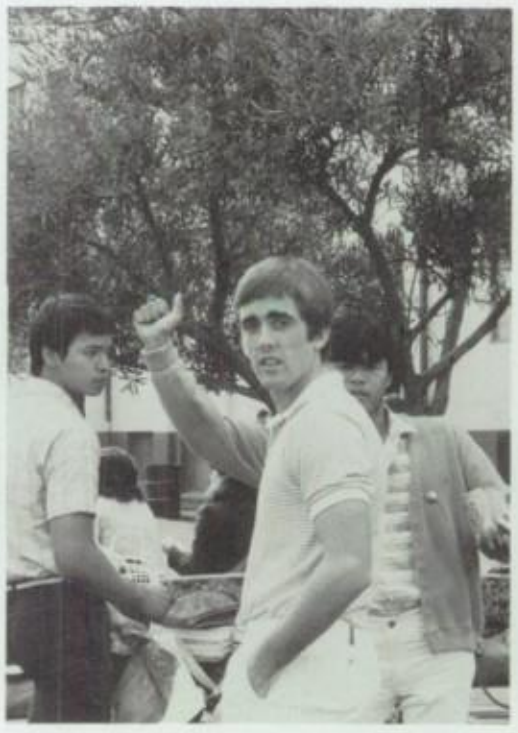


SURVIVAL SKILL: How To Sleep Anywhere, Anytime.



SURVIVAL SKILL: How To Look Confused.

A neer-miss in How To Clone Yourself.

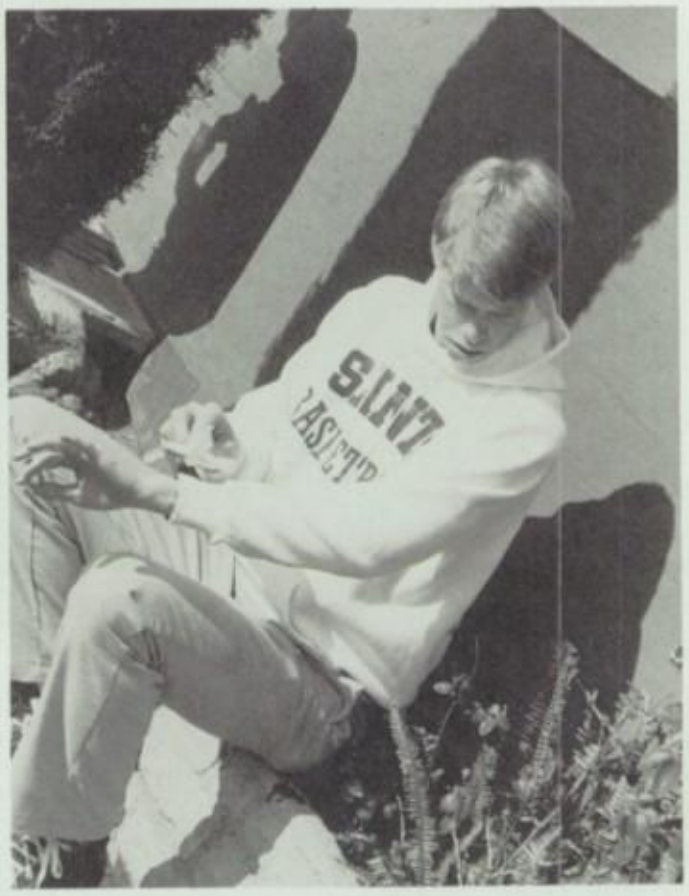


How To Use a Bionic Arm.

How to Wave Bye-Bye.

Big Brother Is Watching Whom?

SURVIVAL SKILL: How To Eat While Being Watched.



How **Not** to Avoid Seagulls.

SURVIVAL SKILL: How to Be Very Conspicuous.

How to Remove Peanut Butter From Braces

SURVIVAL SKILL: How To Hitch Up Your Pants.

How to Look Very Bored.

Julie critiques a new issue.

This years' editions of the **Ocean Breeze** were often controversial, but always thought-provoking. Student opinions on a wide variety of topics were given clear and strong voice: opinions on school policy, campus activities, sports programs, and even entertainment. Entertaining in its own right and pretty gutsy as well, the **Ocean Breeze** lives up to its name by being a breath of fresh — and sometimes pungent — air.

I can't believe it's that time to say goodbye. First of all, to those Mr. Costello students ... yes, my name is Kathie O'Shea and I'm your **A**ssociated **S**tudent **B**ody President, next test you'll know! To those who still remain: reach out and enjoy, you'll soon learn the time goes much too fast, let go, get involved, and give this school a chance. You can have a blast here; believe it!

A warm thanks to all of you who loved, supported, encouraged, and cared about me this year: "Mommy" Brower (for showing me the ropes), Mr. B. (professor, confidant, and friend), Jane & Iris (co-Presidents & right arms), the entire student council (you are too wild!), the whole student body, faculty, and staff. Without each of your efforts we never could have made this year. Finally, mom & dad-you're the BEST.

Good Luck A.S.B. next year, don't let anyone say "can't" to your impossible dreams. Remember, you are all special and very much loved. I'll miss all of you. Thanks!!!

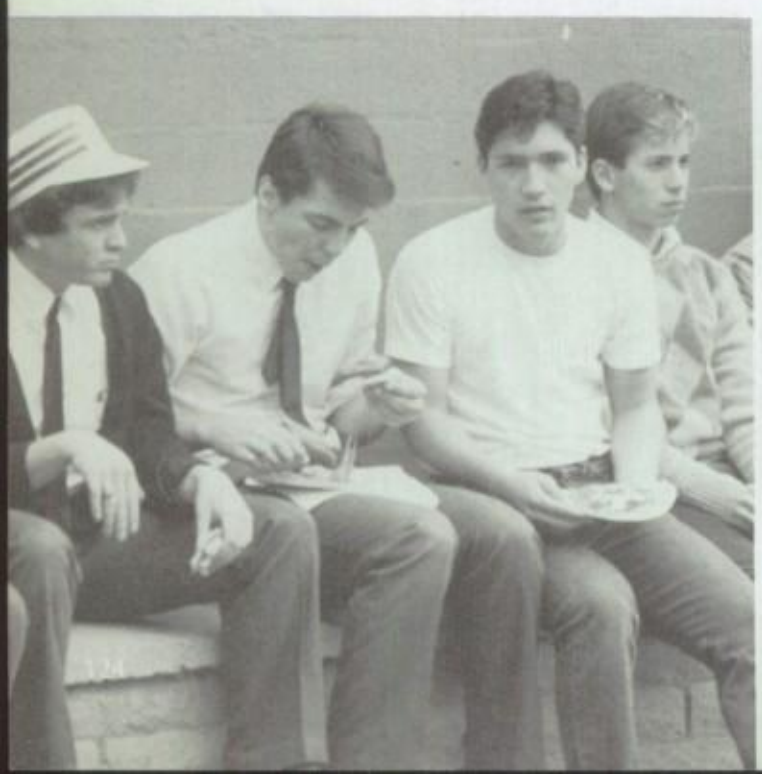
B.O.P. "Saints Through The Years"

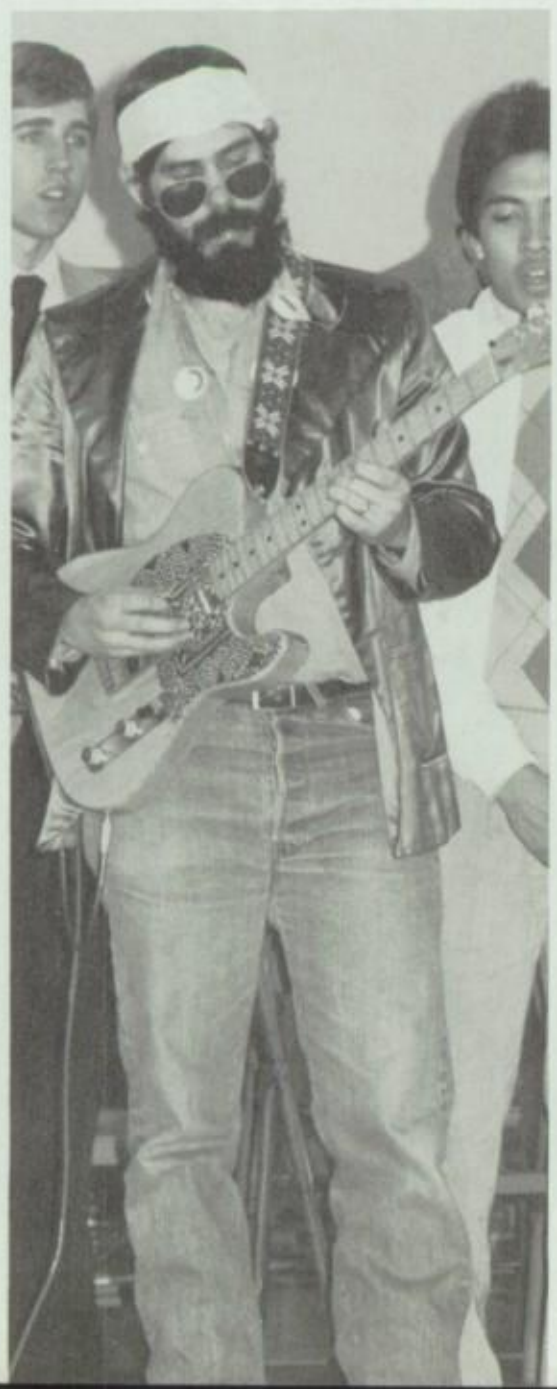
Which is it, "Grease is the word" or "He ain't heavy, He's my brother"?

A flapper 23-skidoos for us.



B.O.P. Assembly

This years B.O.P. theme was "Saints through the years." Each class chose adecade as their theme. Seniors chose the Peace-Loving 60's. The Juniors went with the Roaring 20's. The Sophomores chose the Rocking 50's and last but not least the Freshman with the War-Time 40's.

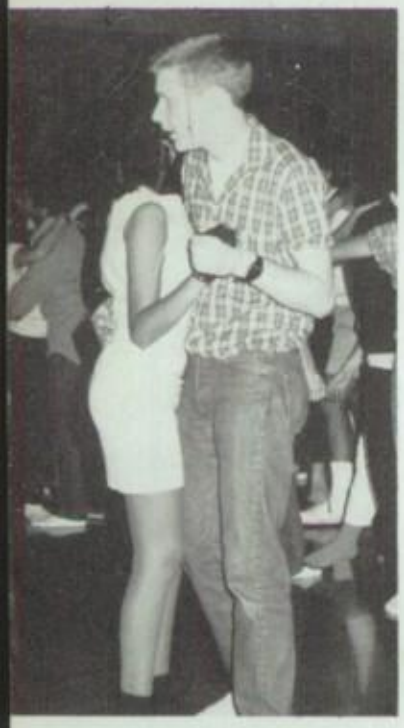


1984 BOP Court (Left to Right): 1st runner-up Nilon Seals and escort Michelle Crisp; 2nd runner-up Jeff Peterson and escort Sally Eddy; King Nick Millotis and escort Dianne Jasso; 4th runner-up Mike McGlaughlin and escort Tammy Buck; 3rd runner-up Buddy Hobson and escort Kristy James.

All Hail King Nick I

Once again the BOP dance was held with grace and dignity. This year's dance was extra special since it combined old and new ideals.

The dance brought back the "sock hop" with "Style" spinning the latest sounds. Nick Miliotis captured the hearts of those around him as he was crowned 1984 B.O.P. King.



More Cute Kids!

My Brother, My Friend
So many memories have been left behind
All of them good
So many of them yours and mine.
There isn't a game we played
Where we didn't watch out for each other.
No one could've passed us as long as we stood together.
Tired, we would sit and rest and share our feelings
That the next game would be our best.
We shared so many hopes for tomorrow
Never a thought for doing them alone.
I know you'll still be at my side
Guarding me with every block.
You'll be there in my thoughts
And when I'm tired-You'll be my strength.
My Brother, My Friend.

One way success is measured is through wins and losses. By this measure, the 1983 season was not a success for the Saints varsity football team. However, the Saints did see a lot of improvement and promise for the future, as well as personal goals being realized for some of the seniors. The Saints were led by senior flanker Nick Miliotis, who led the city in receiving with 31 receptions for 416 yards and 2 touchdowns. The interior line was anchored by junior Anthony Montgomery, a unanimous first team All-League selection. Senior Andy Hall made the move to Quarterback with good success, throwing for the most yardage of any Saints quarterback in the past 8 seasons (916 yds, 4 touchdowns). Hall also led the city in completions and was selected Honorable Mention All-League.

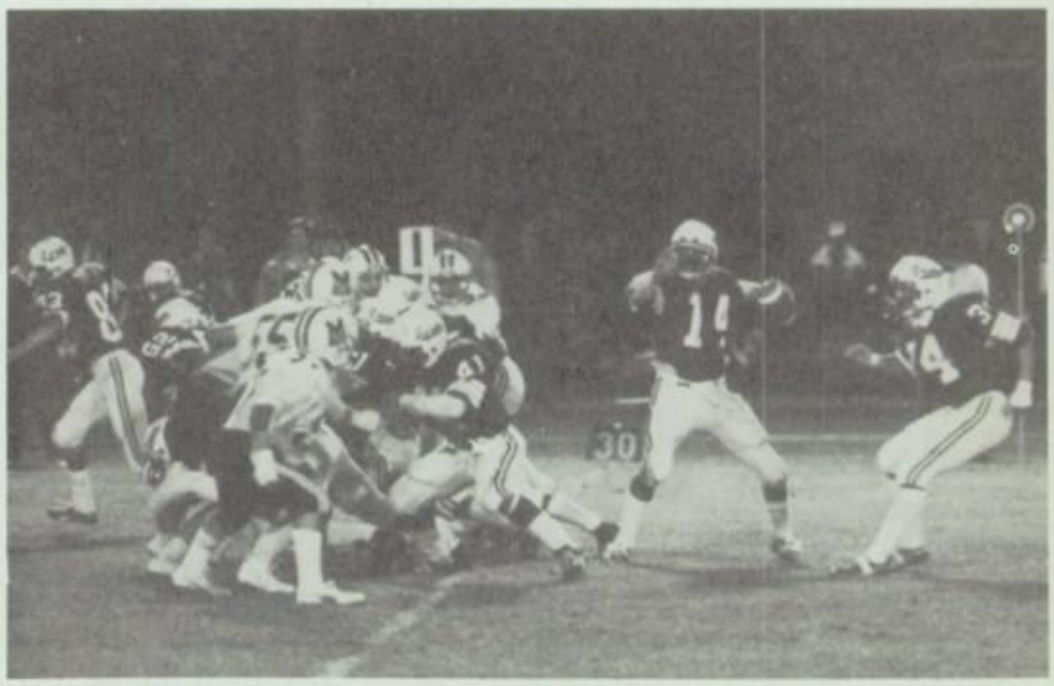
Individual Achievement.

Saints prepare for the game.

Call it in the air!

Injuries plagued the Saints this season. Midway through the season, senior Kenny Martin, who was an important part of the Saints offense and defense, went down with an injury. Senior Bobby Dailey, the team's leading rusher, also was lost due to a broken ankle. Luckily, the Saints had many sophomores and juniors to help carry the load. The standout of this group was sophomore Steve Gaffer, who played aggresively at the linebacker position.

Summing up the season, the Saints had a fine group of hardworking young men who enjoyed the effort and the time, and who deserved better end results.



Look out, here it comes!!

Boy's Varsity Basketball

The 1983-84 Saints Mens Varsity Basketball team went into the season with high expectations. Things began to click after our 56-51 loss against Jordan when the Cagers ran off with 8 consecutive wins looking as impressive as ever, winning teams like Lakewood, Huntington Beach, and Mary Star. Not to mention the sweeping victory over Muir in the semi-finals of the Bosco Tech tourney. Christmas break was the downfall for the Saints, they returned and entered league play with an 8-2 pre-season record and faced Mary Star in the league home opener. Prospects looked bright entering this contest. It was being televised by Dimension Cable, the fans were great and a league title was at stake. But things backfired on the Saints as they fell in defeat with the score set at 35-34. From that point on, the Saints never really could recover even though they played both St. Bernards and Verbum Dei closely. The Saints eventually finished 4th behind St. Bernards, Verbum Dei, and Mary Star. Even though the team was disappointed at not getting a C.I.F. berth individuals were recognized by the league as having outstanding seasons. Darrell Walker, Van Anderson, Juniors, were selected to the Camino Real All League First Team and Mike McGlaughlin and Jesse Perez were voted to the second team. All in all the graduating Seniors are to be congratulated for their 4 outstanding years of basketball here at S.A. and the Jrs. will be looking forward to continuing the rich Saint Anthony basketball tradition next year.

Due to many hours of practice and conditioning, they were able to overcome their weaknesses early in the season.

They won the consolation championship in the Valley Christian Tournament and placed third in the Sunrise League to earn a spot in the CIF playoffs.

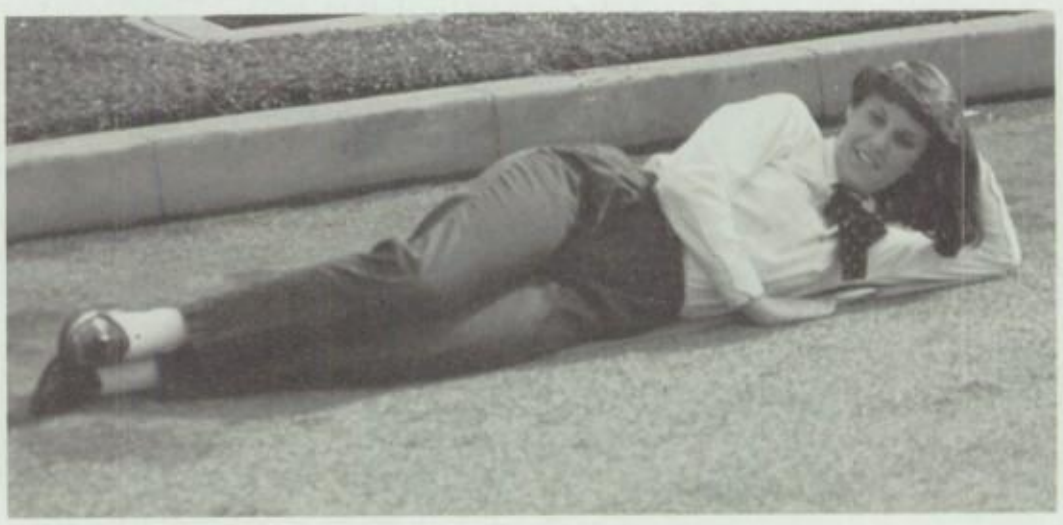
Space Saver

Welcome! We here at S.A. wish to invite you to try a new program for parking problems. The girls above are an ingenious way to solve them. Here's how:

1. For a dollar a morning, your "Space Savers" will hold your special spot until you can get to school.

2. When you arrive, your personal saver will let **your** car in but won't let **anyone else** get it!

Take advantage of it! Think of how much time you will save in the morning **not** having to look blocks away for a parking space! It's an inexpensive way to make sure there's room-**for you!**



This offer not necessarily approved by the Deans, the L.B. Police Dept., or the Dept. of Sanitation.

Excellence. Compassion. Sensitivity toward the total person — body, soul and spirit. Respect for the dignity of each man, woman and child. Appreciation of the human personality.

At St. Mary Medical Center, these are not simply words — they have substance — and meaning. Since 1923 the Sisters of Charity of the Incarnate Word have provided health care to members of the Long Beach community that includes not only sophisticated medical technology, but a compassionate and understanding human touch.

Much of the success of St. Mary Medical Center is due to the many St. Anthony graduates who have contributed by choosing a rewarding health career.

If you would like to discover more about working or volunteering in a caring place, please stop by to see us. You'll find a wide variety of opportunities available at St.Mary's.

Best of luck in all your future endeavors.

Us Trivia

1 "Detentions will be served immediately after school in room B 26!" What is the average number of "D.T.'s" served weekly and what is the main reason to keep Mr. Velez waiting for our smiling faces?

Including this one of many satisfied lunch line customers, how many St. Anthony alumni are still back in school, teachin at S.A.? 2

3 Before becoming the first male member of the 1983 Homecoming court, what other title does senior Tim Walsh hold?

4 Brad, Brent, and Brian are modeling the latest look in thrift shop specials. From what parochial school did the majority of our fashionable students graduate?

5 Besides S.A.'s state champion co-ed tricycle racing team, what sport has produced St. Anthony's winningest team and when did we last hold the league championship in that sport?

ANSWERS: 1. The average number of detentions served weekly is forty. The main cause of violation is parents not calling in absentees. 2. There are seven alumni teachers at St. Anthony: Steve Buhler, Scott Romo, Tim Potter, Ted Ross, Charlette Smith, Dan Marques, and Arthur Solorzano. 3. The student with the first detention of the 1983-84 school year. 4. The most incoming students graduated from St. Peter and Paul and St. Anthony Elementary school. 5. The basketball team has won the most titles, and held their last one in 1982.
